

Le Segrete

Grape blend: Chardonnay (100%).

Characteristics: this wine is the result of a long Charmat sparkling method which requires the use of selected yeasts. The result is a wine with a bright colour, full, elegant yellow perlage, which presents a variegated bouquet of aromas, fruity notes of yeast, crusty bread and honey. When it touches the palate, it is pleasant, characteristic, full-bodied and persistently savoury.

Pairing: adapt for appetisers and for fish dishes and Mediterranean cuisine.

Alcohol content: 12,5% Vol.

Ageing: from two to four years.
